This Declaration of Covenants, Conditions and Restrictions is made and executed this 4th day of January, 2018, by Taylor Built Homes, LLC, a Utah limited liability company to establish a planned resort community known as ARCADIA VACATION RESORT.

PURPOSE AND INTENT

Declarant owns and/or otherwise has the exclusive rights to develop certain real property in Washington County, Utah, which is more particularly described on Exhibit "A", which is attached hereto and incorporated herein by this reference. As set forth in Section 1.27, this real property is hereinafter referred to as the "Property." Declarant desires and intends to protect the value and desirability of the Property as a harmonious and attractive residential and resort community. Therefore, Declarant will convey the Property subject to the following covenants, conditions, restrictions, and easements, which, along with the Governing Documents, provides for a governance structure and a system of standards and procedures for the development, expansion, maintenance, and preservation of the Property as a master planned residential and resort community.

THEREFORE, to effectuate its intent, Declarant will convey the Property subject to the following covenants, conditions, restrictions, and easements, which, along with the Governing Documents, provides for a governance structure and a system of standards and procedures for the development, expansion, maintenance, and preservation of the Property as a planned community.

DECLARATION

Declarant hereby declares that all of the Property, and such other property that may hereafter be subjected to this Declaration, shall be held, sold, conveyed and occupied subject to the following covenants, conditions, restrictions, easements, assessments, charges and liens, and to any applicable Subdivision Plat, and other Governing Documents as set forth herein. This Declaration and the applicable Subdivision Plat shall be construed as covenants of equitable servitude; shall run with the Property and be binding on all parties having any right, title or interest in the Property or any part thereof, their heirs, successors and assigns; and shall inure to the benefit of each Owner thereof.

ARTICLE 2

LAND USE DESIGNATIONS AND CLASSIFICATIONS

2.1. Owner's Acknowledgment; Notice to Purchasers. All Owners are given notice that the use and development of their Unit, and use of the Common Area and Limited Common Area is limited by the covenants, conditions, restrictions, easements, and other provisions of this Declaration, the other Governing Documents, as each such document may be amended, expanded, or modified from time to time. Each Owner, by acceptance of a deed (or similar ownership interest) to a Unit, acknowledges and agrees that the use and enjoyment and marketability of its Unit can be affected by said documents. All Unit purchasers are on notice that the Declarant or the Association may have adopted changes to the Governing Documents which might differ from those any purchaser might receive from or have disclosed by the Owner from whom the purchaser is purchasing a Unit. Copies of current Governing Documents may be obtained from the Association.

2.2. Units; Activities Within Units. Each Unit is owned in fee simple by the Owner, subject to the covenants, conditions, restrictions, and easements in this Declaration, the provisions of the other Governing Documents, the Subdivision Plat, and other applicable covenants, conditions, restrictions, and/or easements that may be recorded against the Unit, and any laws and ordinances applicable to the Property.

2.3. Common Area.

(a) Ownership; Conveyance. In creating the Association, the Declarant will convey fee simple title to the Common Area to the Association, free and clear of all encumbrances and liens, but subject to this Declaration, and easements and rights-of-way of record. The Association shall accept the deed of conveyance of the Common Area upon Declarant's presentment of the same. Notwithstanding the above, during the Declarant Control Period, Declarant may, in its discretion, convey, transfer, sell, assign, or otherwise dedicate all or part of any Common Area to the City or such other governmental entity or any third party as it deems necessary and appropriate.

(b) Board Authority. The Board shall have the authority to maintain and insure the Common Area as set forth herein. This right includes, but is not limited to the right, for and on behalf of the Association, to:

- (i) insure, maintain, and care for the Common Area;
- (ii) establish rules and regulations to govern use of the Common Area, including, by way of example but not limitation, hours of use and standards of conduct.
- (iii) enter into agreements or leases which provide for use of the Common Areas by a similar association in consideration for use of the common areas and/or facilities of the other association or for cash consideration, or by third parties for cash consideration;

- (iv) grant easements for public utilities or other public purposes consistent with the intended use of the Common Areas;
- (v) take such steps as are reasonably necessary or desirable to protect the Common Areas against foreclosure; and
- (vi) take such other actions with respect to the Common Areas which are authorized by or otherwise consistent with the Governing Documents.

2.4. Declarant's Right of Use. As part of the overall program of development of the Property and to encourage the marketing thereof, the Declarant shall have the right of use of the Common Area, including any community buildings and facilities constituting Common Area, without charge during the Declarant Control Period to aid in its marketing activities

2.5. Limited Common Area.

(a) Designation. The Declarant, during the Declarant Control Period, shall have the right to restrict portions of the Common Area, whether owned by Declarant or by the Association, in the nature of an easement for the primary or exclusive use of one or more particular Owner or Owners. This designation may be made by: (i) indicating or designating on the Subdivision Plat the Limited Common Area appertaining to one or more Units, or (ii) designating, depicting, and/or describing such Limited Common Area in any supplemental declaration to this Declaration, or in any exhibit to those declarations. The Declarant reserves the right to re-designate Limited Common Area as it deems necessary.

(b) Rights of Use and Rules and Regulations Concerning the Limited Common Areas. Each Owner is hereby granted an irrevocable and exclusive license to use and occupy the Limited Common Areas reserved exclusively for the use of his Unit, subject to the rights of the Declarant and the Board as set forth in the Governing Documents. The right of exclusive use and occupancy does not include the right to repaint, remodel, erect structures upon or attach any apparatus to without the express written consent of the Board.

(c) Costs for Maintenance. All costs associated with maintenance, repair, replacement, and insurance of a Limited Common Area shall be, where the Limited Common Area benefits, or is reserved for the exclusive use of a particular Owner or Owners, a Specific Assessment to such Owner(s).

2.6. Delegation of Use. An Owner or one having a right of use of Common Areas and Resort Facilities, may delegate any right of enjoyment to the Common Areas and Resort Facilities to family members or guests staying at that Owner's Dwelling, subject to any rules and regulations established by the Board, including but not limited to the Board's right to require, as it determines necessary, an Owner to forfeit the Owner's right of use for so

long as the Owner has delegated such right to the Owner's tenant.

2.7. Promulgation of Rules.

(a) Rulemaking Authority. The Board may, from time to time, subject to the provisions of the Governing Documents, adopt, amend and repeal rules and regulations governing, among other things, use of any Common Area, parking restrictions and limitations, limitations upon vehicular travel within the Property, and restrictions on other activities or improvements on the Property which, in the opinion of the Board, create a hazard, nuisance, unsightly appearance, excessive noise, or offensive smell.

(b) Notice of Rules. A copy of the rules and regulations, as they may from time to time be adopted, amended or repealed, shall be mailed, emailed or otherwise delivered to each Owner or posted on the Association's website, and may, but need not be, recorded. Upon such mailing or other delivery, said rules and regulations shall have the same force and effect as if they were set forth in and were a part of this Declaration. In addition to or in lieu of providing notice by mail, the Board may provide notice by electronic means such as electronic mail (e-mail) to Unit Owners and may require that Unit Owners, in addition to keeping the Board informed as to their current mailing address, maintain a current e-mail address with the Board for such purpose.

2.8. Management Agreement; Property Manager. The Board may engage for the Association the services of one or more property managers to perform such duties and services as the Board shall authorize. The Board may delegate to and otherwise authorize the property manager to perform those services to which the Board itself may perform under the Governing Documents or the Utah Community Association Act, and those services to which the Utah Community Association Act otherwise authorizes a manager to perform. Any contract or agreement for services entered into by the Board with a property manager for and on behalf of the Association shall not exceed a term of three (3) years. Fees, costs, and other charges of the property manager shall be Common Expenses. The property manager, when approved by the Declarant or the Board, may also provide services to individual Unit Owners, such as leasing or renting individual Units as may be determined between the property manager and the Unit Owner; *provided however*, that services performed for individual Unit Owners which are not performed for the Association shall not be Common Expenses but shall be charged to such Unit Owners separately as the Unit Owners and the property manager may determine.

2.9. Provisions for Other Services. The Association may provide services and/or facilities for the Owners and their Units, and shall be authorized to enter into and terminate contracts or agreements with other entities, including Declarant, to provide such services and facilities. The Board may charge use or service fees for any such services and facilities,

or may include the costs thereof in the Association's budget as a Common Expense and assess it as part of the annual assessment if provided to all Units. By way of example, such services and facilities might include landscape maintenance, pest control service, cable television service, internet service, telephone service, security, caretaker, transportation, utilities, and similar services and facilities. Nothing in this Section shall be construed as a representation by Declarant or the Association as to what, if any, services shall be provided. In addition, the Board shall be permitted to modify or cancel existing contracts for services in its discretion, unless the provision of such services is otherwise required by the Governing Documents. Non-use of services provided to Owners or Units as a Common Expense shall not exempt any Owner from the obligation to pay assessments for such services.

2.10. Facilities and Services Open to the Public. Certain facilities and areas within the Property may be open for use and enjoyment of the public. Such facilities and areas may include, by way of example: pavilions, trails and paths, parks, and other spots conducive to gathering and interaction, roads, sidewalks, and medians. Declarant may, but is not required to, designate such facilities and areas as open to the public at the time Declarant makes such facilities and areas a part of the Common Area or the Board may so designate them at any time thereafter. The availability of such areas to the general public shall not relieve any Owner of responsibility for assessments levied to fund the Association expenses incurred in connection with such areas.

2.11. Resort Facilities.

(a) Resort Facilities may be privately owned by persons or entities other than the Association and may be made available for use by Owners and others for recreational purposes, pursuant to an agreement with the Association or otherwise.

(b) Access to and use of any Resort Facility is strictly subject to the rules and procedures of the owner of such Resort Facility, and except as may otherwise be set forth in a written agreement between the Association and the owner of the Resort Facility, no person gains any right to enter or to use any Resort Facility solely by virtue of membership in the Association or ownership or occupancy of a Unit.

(c) All persons, including all Owners, are hereby advised that no representations or warranties have been or are made by Declarant, the Association, or by any person acting on behalf of any of the foregoing, with regard to the continuing ownership, operation or availability of any Resort Facility. No purported representation or warranty in such regard, written or oral, shall be effective unless specifically set forth in a written instrument executed by the record owner of the Resort Facility.

(d) Rights to use the Resort Facilities will be granted only to such persons, and on such terms and conditions, as may be determined by their respective owners.

Such owners shall have the right, from time to time in their sole and absolute discretion and without notice, to amend or waive the terms and conditions of use of their respective Private Amenities and to terminate use rights altogether. No consent of the Association or any Owner shall be required to effectuate any change in ownership, operation or terms of access to any Resort Facility.

ARTICLE 3
MEMBERSHIP AND VOTING RIGHTS

3.1. Membership. Every Owner is a Member of the Association. Membership in the Association automatically transfers upon transfer of title to any Building Pad or Unit by the record Owner to another person or entity.

3.2. Voting Rights; Classes. The Association has two classes of voting membership, Class A and Class B.

(a) Class A. The Class A Member is the Declarant. The Class A member is entitled to five votes for each Unit owned, however, Declarant's Class A membership status is not dependent or contingent upon Declarant's ownership of any Unit within the Property. Rather, Declarant's Class A membership will cease only upon the earlier of (i) the final Unit being sold; or (ii) Declarant's express surrender of Class A membership status, which surrender must be in a written instrument signed by Declarant and recorded in the office of the Washington County Recorder. If the instrument of surrender does not specify the date of surrender of Class A membership, the surrender date shall be the date of recording of the instrument. To ensure that the Declarant, as the developer of the Property, has adequate time and flexibility to ensure the overall success of the development, Declarant has the sole and absolute discretion to determine the date of its surrender. If the Declarant surrenders its Class A membership status while owning Units within the Property, Declarant's membership status in such Units shall be converted to Class B.

(b) Class B. Class B Members are all Members with the exception of the Declarant, until Declarant's membership converts to Class B membership as provided for herein. Class B Members are entitled to one vote for each Unit owned. When more than one person holds an interest in any Unit, the group of such persons shall be a Member. The vote for such Unit shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any Unit. A vote cast at any Association meeting by any of such co-Owners, whether in person or by proxy, is conclusively presumed to be the vote attributable to the Unit concerned unless written objection is made prior to that meeting, or verbal objection is made at that meeting, by another co-Owner of the same Unit. In the event an objection is made, the vote involved shall not be counted for any purpose except to determine whether a quorum exists.

3.3. Declarant's Voting Rights in Expansion Area. In the case of expansion (as provided under this Declaration), the class of voting membership appurtenant to Units owned by Declarant in the expansion area shall be Class A.

3.4. Change of Corporate Status. The Association has been set up and established as a non-profit corporation under Utah law. The continuing existence and viability of the Association, however, is not vested in its corporate status. During any period in which the Association is not incorporated or otherwise has a change of corporate status (e.g., involuntary dissolution under the Utah Nonprofit Corporation Act for failure to file for corporate renewal), the Governing Documents shall nevertheless continue to be effective as the Governing Documents of the Association, and the Association, the Board, and all officers and committees operating under the authority of the Governing Documents shall have all rights, power, and authority granted therein, and no Owner may escape or avoid any assessment, charge, lien, rule or other matter contained in the Governing Documents by virtue of such change of corporate status. In the case of non- incorporation, the Board is authorized, to the extent it deems necessary, and without approval of the Members, to reincorporate under a same or similar name and such corporation shall be deemed the successor to the Association. In the event the Board does not reincorporate, the Association shall continue to operate and function under the Governing Documents as an unincorporated association.

ARTICLE 4 ASSOCIATION FINANCES

4.1. Assessments; Authority. The Association is hereby authorized to levy assessments against the Owners as provided for in the Governing Documents. The following are the types of assessments that may be levied by the Association, which are more particularly described below: (1) annual assessments and charges; (2) special assessments; (3) specific assessments; (4) emergency assessments; (5) Reserve Assessments; (6) any other amount or assessment levied or charged by the Board pursuant to this Declaration; and (7) interest, costs of collection and reasonable attorney fees, as hereinafter provided. The assessments for a multi-unit may differ from the assessments for a single-family dwelling. A levy of assessments against the Owners shall exclude the Class A member.

4.2. Creation of Lien and Personal Obligation of Assessments. Excepting Declarant, each Owner of any Building Pad or Unit, by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, covenants and agrees to pay to the Association all assessments and charges authorized in the Governing Documents. All such amounts shall be a charge on the Unit and shall be a continuing lien upon the Unit against which each such assessment or amount is charged. Such assessments and other amounts shall also be the personal obligation of the person who was the Owner of such Unit at the time when the assessment became due. No Owner may exempt himself from liability for assessments or other charges by non-use of Common Area, abandonment of his Unit, or any other means. The obligation to pay assessments is a separate and independent

covenant on the part of each Owner. No diminution or abatement of assessments or set-off shall be claimed or allowed for any alleged failure of the Association, the Board, or Declarant to take some action or perform some function required of it, or for inconvenience or discomfort arising from the making or repairs or improvements, or from any other action they might take.

4.3. Purpose of Assessments. The assessments levied by the Association shall be used to advance the purposes for which the Association was formed, as set forth and articulated in the Governing Documents. The assessments may provide for, but are not limited to, the payment of taxes on Association property; the payment of insurance maintained by the Association; the payment of the cost of repairing, replacing, maintaining and constructing or acquiring additions to the Common Area; the payment of administrative expenses of the Association; the establishment of capital and operational reserve accounts; the payment of any professional services deemed necessary and desirable by the Board; the payment of expenses pursuant to any Cost Sharing Covenants; and other amounts required or authorized by this Declaration or that the Board shall determine to be necessary to meet the primary purposes of the Association. The assessments may provide, at the discretion of the Board, for the payment of other charges including (without limitation) maintenance, management, and utility charges.

4.4. Initial Annual Assessments. The Declarant shall initially establish the amount of the annual assessments. Thereafter, the establishment of annual assessments shall be according to the procedures and requirements of Section 4.5.

4.5. Annual Assessments; Budgeting.

(a) Adoption of Budget. At least sixty (60) days before the beginning of each fiscal year, the Board shall prepare a budget of the estimated Common Expenses for that year, for the purpose of calculating and establishing the annual assessments for the subsequent fiscal year. Annual assessments for Common Expenses shall be based upon the estimated net cash flow requirements of the Association to cover items including, without limitation: the cost of routine maintenance and operation of the Common Area; expenses of management; premiums for insurance coverage maintained by the Association; landscaping expenses; common lighting within the Common Area; routine renovations within the Common Area; wages; common water and utility charges; security services; legal and accounting fees; expenses and liabilities from a previous assessment period; the supplementing of the Reserve Fund for general, routine maintenance, repairs, and replacement of the Common Area on a periodic basis; the payment of expenses pursuant to any Cost Sharing Covenants; the payment of any telecommunications services; and any other expense authorized or contemplated by this Declaration to be charged to Owners as a Common Expense.

(b) Notice of Budget and Assessment. The Board shall send a copy of the final budget, together with notice of the amount of the annual assessment to be levied

pursuant to such budget, to each Owner at least thirty (30) days prior to the effective date of such budget. The budget shall automatically become effective unless disapproved at a meeting by Members representing at least sixty-seven percent (67%) of the Entire Membership. There shall be no obligation to call a meeting for the purpose of considering the budget except on petition of the Members as provided for special meetings pursuant to the Bylaws. Any such petition must be presented to the Board within fourteen (14) days after delivery of the final budget and notice of the amount of the annual assessment.

(c) Failure or Delay in Adopting Budget. If any proposed budget is disapproved or the Board fails, for any reason to determine the budget for any year, then the budget most recently in effect, and the annual assessments based thereon, shall continue in effect until a new budget and corresponding annual assessment is determined.

(d) Automatic Budget Approval. Notwithstanding the foregoing, if the budget proposed by the Board will increase the annual assessment by no more than 5% of the previous annual assessment, then such budget and corresponding annual assessment shall be automatically approved and effective upon thirty days' notice and the Members shall not have the opportunity to disapprove of the budget and annual assessment.

(e) Adjustment of Budget and Assessment. The Board may revise the budget and adjust the annual assessment from time to time during the year, subject to the notice requirements and the right of the Members to disapprove the revised budget as set forth in Section 4.5(b), *provided, however*, that such an adjustment is exempt from the requirements of Section 4.5(b) if the adjustment would either decrease the annual assessment or increase the annual assessment by no greater than 3.25%.

4.6. Special Assessments. In addition to the annual assessments, the Board may levy, in any assessment year, a special assessment, applicable to that year only to cover unbudgeted expenses or expenses in excess of those budgeted, including but not limited to defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of Common Area and any structures, fixtures and personal property related thereto. Any such special assessment may be levied against the Entire Membership (excluding Declarant) if such special assessment is for Common Expenses. Except as otherwise provided in this Declaration, any special assessment shall require the affirmative vote or written consent of a majority of the Entire Membership, if a Common Expense. Special assessments shall be payable in such manner and at such times as determined by the Board, and may be payable in installments extending beyond the fiscal years in which the special assessment is approved.

4.7. Specific Assessments. The Association shall have the power to levy Specific

Assessments against a particular Unit as follows:

(a) To cover the costs, including overhead and administrative costs, of providing services to Units upon request of an Owner pursuant to any menu of special services which may be offered by the Association. Specific assessments for special services may be levied in advance of the provision of the requested service.

(b) To cover costs incurred in bringing any Unit into compliance with the Governing Documents, or costs incurred as a consequence of the conduct of the Owner or occupants of the Unit, their agents, contractors, employees, licensees, invitees, or guests; provided, the Board shall give the Unit Owner prior written notice and an opportunity for a hearing, in accordance with the Bylaws, before levying any specific assessment under this subsection.

4.8. Emergency Assessments. Notwithstanding anything contained in this Declaration, the Board, without Member approval, may levy emergency assessments in response to an emergency situation. Prior to the imposition or collection of any assessment due to an emergency situation, the Board shall pass a resolution containing the written findings as to the necessity of such expenditure and why the expenditure was not or could not have been reasonably foreseen or accurately predicted in the budgeting process and the resolution shall be distributed to the Members with the notice of the emergency assessment. If such expenditure was created by an unbudgeted utility maintenance or similar expense or increase, the assessment created thereby shall be discontinued by the Board by a similar resolution, if such expense is subsequently reduced, or to the extent the next succeeding annual budget incorporates said increase into the annual assessment. An emergency situation is one in which the Board finds: (a) an expenditure, in its discretion, required by an order of a court, to defend the Association in litigation, or to settle litigation; (b) an expenditure necessary to repair or maintain the Property or any part of it for which the Association is responsible where a threat to personal safety on the Property is discovered; (c) an expenditure necessary to repair, maintain, or cover actual Association expenses for the Property or any part of it that could not have been reasonably foreseen by the Board in preparing and distributing the pro forma operating budget (for example: increases in utility rates, landscape or maintenance contract services, attorney fees incurred in the defense of litigation, etc.); or (d) such other situations in which the Board finds that immediate action is necessary and in the best interests of the Association.

4.9. Declarant's Option to Fund Budget Deficits. During the Declarant Control Period, Declarant may but is not obligated to fund any budget deficit of the Association, including, without limitation, funding any initial capital or operational Reserve Fund. The Declarant may also authorize a third party to fund any budget deficit of the Association. In the event Declarant or a third-party funds any budget deficit, it shall not establish any obligation by Declarant or a third party to continue to fund any future deficits. The Declarant and any third-party is entitled to reimbursement of any budget deficit funded by Declarant or the third party.

4.10. Payment; Due Dates.

(a) The assessments provided for herein shall commence to accrue against a Unit upon conveyance of the Unit to a bona fide purchaser, adjusting the amount of such assessment according to the number of months remaining in the fiscal year.

(b) Assessment due dates shall be established by the Board. The Board may provide for the payment of assessments in equal installments throughout the assessment year on a monthly or quarterly basis.

(c) The Board may require advance payment of assessments at closing of the transfer of title to a Unit.

(d) Payment of assessments shall be applied first to any accrued interest, then to any accrued costs, charges, and fees, and then to the principal amount of the assessment. No Owner shall have the right to direct the Association or its agents or employees to apply payments in any other manner or method and any such attempt to do so will not be recognized.

4.11. Effect of Non-Payment of Assessment; Remedies of the Association. Any assessment or installment thereof not paid within thirty (30) days after the due date therefor shall be delinquent and shall bear interest from the due date at the rate of eighteen percent (18%) per annum (or such lesser rate as the Directors shall determine appropriate) until paid. In addition, the Directors may assess a late fee of \$150.00 for each delinquent installment.

(a) Remedies. To enforce this Article, the Board may, in the name of the Association, and to the extent not prohibited by law:

(i) bring an action at law against the Owner personally obligated to pay any such delinquent assessment without waiving the Association's lien for the assessment;

(ii) foreclose the lien against the Unit in accordance with the laws of the State of Utah applicable to the exercise of powers of sale in deeds of trust or to the foreclosure of mortgages, or in any other manner permitted by law;

(iii) restrict, limit, or totally terminate any or all services performed by the Association on behalf of the delinquent Owner;

(iv) terminate, in accordance with the Utah Community Association Act, Utah Code Ann. § 57-8a-204, the Owner's right to receive utility services paid as a Common Expense and/or terminate the Owner's right of access and use of any recreational facilities, including any Resort Facilities;

(v) if the Owner is leasing or renting his Unit, the Board may, in accordance with the Utah Community Association Act, Utah Code Ann. § 57-8a-205, demand that the Owner's tenant pay to the Association all future

lease payments due from the Owner, beginning with the next monthly or other periodic payment, until the amount due to the Association is paid;

(vi) suspend the voting rights of the Owner for any period during which any assessment or portion thereof against the Owner's Unit remains unpaid; and/or

(vii) accelerate all assessment installments that will become due within the subsequent twelve (12) months so that all such assessments for that period become due and payable at once. This acceleration provision may only be invoked against an Owner who has been delinquent in paying any assessment or installment two (2) or more times within a twelve (12) month period.

(b) Attorney Fees and Costs. There shall be added to the amount of any delinquent assessment the costs and expenses of any action, sale or foreclosure, and reasonable attorney fees incurred by the Association, together with, where applicable, an account for the reasonable rental for the Unit from time to time of commencement of the foreclosure. The Association shall be entitled to the appointment of a receiver to collect the rental income or the reasonable rental without regard to the value of the other security.

(c) Power of Sale. A power of sale is hereby conferred upon the Association that it may exercise. Under this power of sale, the Association may sell Units as an enforcement remedy under Section 4.12 in the manner provided by Utah law pertaining to deeds of trust as if said Association were beneficiary under a deed of trust. The Association may designate any person or entity qualified by law to serve as Trustee for purposes of power of sale foreclosure.

4.12. Exempt Property. The following property subject to this Declaration is exempt from the assessments created herein: (a) all property dedicated to and accepted by the City or any other public authority; (b) all Common Area and Limited Common Area; (c) all Units or other real property owned by Declarant; (d) the Resort Facilities; and (e) any other property declared exempt from assessments as set forth in this Declaration or within any Subdivision Plat.

4.13. Capitalization of Association. Upon acquisition of record title to a Unit by the first Owner thereof other than Declarant, a contribution shall be made by or on behalf of the purchaser to the working capital of the Association in an amount equal to three (3) months' worth of the annual assessment per Unit for that year or in such other amount as the Board may specify which may be a flat rate from year to year approximating three (3) months' worth of the annual assessment per Unit levied during the first year in which the Association adopts a budget. This amount shall be in addition to, not in lieu of, the annual assessment and shall not be considered an advance payment of such assessment. This amount shall be deposited into the purchase and sales escrow and disbursed therefrom to the Association for

use in covering operating expenses and other expenses incurred by the Association pursuant to the Governing Documents.

4.14. Resort Membership Fee. Each Owner, at the closing of its purchase of a Building lot or Unit, shall be required to pay to Arcadia Vacation Resort, LLC, a quarterly resort fee, prorated for the remaining period of the existing calendar quarter, which Arcadia Vacation Resort, LLC will deposit in its account for use in providing resort related services to Unit Owners. The amount of the resort fee will be determined by the Declarant or Arcadia Vacation Resort, LLC and will be published on a schedule available to potential purchasers at the time of contracting for purchase of a Unit. The schedule may be amended based upon the growth and development of the Arcadia Vacation Resort. The resort fee shall be an annual fee payable in equal quarterly payments, with payment due on the first day of each quarter, and is not refundable.

4.15. Subordination of Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first Mortgage held by an institutional lender if the Mortgage was recorded prior to the date the assessment became due. Sale or transfer of any Unit shall not affect the assessment lien. However, the sale or transfer of any Unit pursuant to foreclosure of a first mortgage or any proceeding in lieu thereof, shall extinguish the assessment lien as to payments which became due prior to such sale or transfer. No sale or transfer, however, shall relieve a Unit or Owner from liability for assessments coming due after the Owner takes title or from the lien of such later assessments.

4.16. Books, Records, and Audit.

(a) The Association shall maintain current copies of the Declaration, Articles, Bylaws, rules and other similar documents, as well as its own books, records and financial statements which shall all be available for inspection by Owners and insurers as well as by holders, insurers and guarantors of first mortgages during normal business hours upon reasonable notice. Charges shall be made for copying, researching or extracting from such documents. An Owner or holder, insurer or guarantor of a first Mortgage may obtain an audit of Association records at its own expense so long as the results of the audit are provided to the Association.

(b) The Association shall prepare a roster of Owners in the Property and the assessments applicable thereto at the same time that it shall fix the amount of the annual assessment, which roster shall be kept by the Treasurer of the Association, who shall record payments of assessments and shall allow inspection of the roster by any Member at reasonable times.

(c) The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessment on a specified Unit has been paid. Such certificates, when properly issued, shall be conclusive evidence of the payment of any assessment or fractional part

thereof which is therein shown to have been paid.

4.17. Reserve Fund Analysis.

(a) The Committee shall cause a Reserve Analysis to be completed no less frequently than every six (6) years to determine the need for a Reserve Fund to accumulate money to cover the cost of repairing, replacing or restoring the Common Areas that have a useful life of three (3) years or more and a remaining useful life of less than 30 years. The Committee shall review and, if necessary, update a previously completed Reserve Analysis no less frequently than every three (3) years. The Committee may conduct a Reserve Analysis itself or may engage a reliable person or organization, as determined by the Committee, to conduct the Reserve Analysis. A Reserve Fund Analysis shall include: (i) A list of the components identified in the Reserve Analysis that will reasonably require reserve funds; (ii) A statement of the probable remaining useful life, as of the date of the Reserve Analysis, of each component identified in the Reserve Analysis; (iii) An estimate of the cost to repair, replace or restore each component identified in the reserve analysis; (iv) An estimate of the total annual contribution to the Reserve Fund necessary to meet the cost to repair, replace or restore each component identified in the Reserve Analysis during the component's useful life and at the end of the component's useful life; and (v) A reserve funding plan that recommends how the Association may fund the annual contribution.

(b) The Committee shall not use money in the Reserve Fund (i) for daily maintenance expenses unless approved by the affirmative vote or written consent of Owners having ownership of not less than fifty-one percent (51%) of the undivided interest in the Common Areas, or (ii) for any purpose other than the purpose for which the Reserve Fund was established.

(c) The Association shall (i) annually provide each of the Owners a summary of the most recent Reserve Analysis or update, and provide a copy of the complete Reserve Analysis and any update to any Owner who requests a copy.

ARTICLE 5
INSURANCE

5.1. Casualty Insurance on Insurable Common Area. The Association shall maintain a multi-peril type policy insuring against risk of direct physical loss commonly insured against, including fire, wind, lightning, and other extended perils, covering all of the Common Areas in the Property, (ii) all physical structures, improvements, fixtures, alterations, equipment and betterments permanently part of or affixed to the Common Areas, and (iii) all fixtures, building service equipment, and common personal property and supplies belonging to the Association. Such policy shall provide coverage against loss or damage by fire, wind, lightning, and other hazards covered by a multi-peril policy, and provide coverage for debris

removal, cost of demolition, vandalism, malicious mischief, windstorm, and such other risks as customarily are covered with respect to planned unit developments similar to the Property in location and use. The insurance coverage with respect to the Common Area shall be written in the name of Arcadia Vacation Resort Homeowners Association, and the proceeds thereof shall be payable to, the Association. Insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was carried. Premiums for all insurance carried by the Association are Common Expenses which shall be included in the regular annual assessments made by the Association. In the event of an insured loss, the deductible shall be treated as a Common Expense in the same manner as the premiums for the applicable insurance coverage.

5.2. Replacement or Repair of Property. In the event of damage to or destruction of any part of the Common Area improvements, the Association shall repair or replace the same from the insurance proceeds available. If such insurance proceeds are insufficient to cover the costs of repair or replacement of the property damaged or destroyed, the Association may make a special assessment against all Owners to cover the additional cost of repair or replacement not covered by the insurance proceeds, in addition to any other common assessments made against such Owner.

5.3. Disbursement of Proceeds. If the damage or destruction for which the proceeds of insurance policies are paid is to be repaired or reconstructed, the proceeds, or such portion thereof as may be required for such purpose, shall be disbursed in payment of such repairs or reconstruction as hereinafter provided. Any proceeds remaining after defraying such costs of repair or reconstruction to the Common Area shall be retained by and for the benefit of the Association and placed in a capital improvements account. In the event no repair or reconstruction is made, any proceeds remaining after making such settlement as is necessary and appropriate with the affected Owner or Owners and their Mortgagee(s) as their interests may appear, shall be retained by and for the benefit of the Association and placed in a capital improvements account. This is a covenant for the benefit of any Mortgagee of a Unit and may be enforced by such Mortgagee.

5.4. Liability Insurance. The Association shall maintain a commercial general liability insurance policy covering the Common Areas and Facilities of the Property, including, without limitation, commercial space owned and leased by the Association, if any, and the public ways of the Property. Coverage limits shall be in amounts generally required by private institutional mortgage investors for planned unit developments similar to the Property in location and use. However, such coverage shall be for at least \$1,000,000 for bodily injury, including deaths of persons, and property damage arising out of a single occurrence. Coverage under this policy shall include, without limitation, legal liability of the insureds for property damage, bodily injuries and deaths of persons in connection with the operation, maintenance or use of the Common Areas and Facilities, medical payments insurance covering liability claims arising out of or in connection with the use of the Common Areas and Facilities, and legal liability arising out of lawsuits related to employment contracts of the Association. Such policy shall also include "Severability of Interest" or "Separation of Insureds" or equivalent

coverage to be included in the body of the policy or in a specific endorsement. Such policy must provide that it may not be cancelled or substantially modified, by any party, without at least 10 days' prior written notice to the Association and to each holder of a Mortgage on any Unit in the Property that is listed as a scheduled holder of a Mortgage in the insurance policy. Such policy must also include protection against such other risks as are customarily covered with respect to planned unit development projects similar to the Property in location and use, including, but not limited to, host liquor liability, employers' liability insurance, contractual and all-written contract insurance, and comprehensive automobile liability insurance. Each Owner shall be an insured person under a liability insurance policy that the Association obtains that insures against liability arising from the Owner's interest in the Common Areas and Facilities or from membership in the Association.

5.5. Errors and Omissions and Fidelity Insurance. The Association shall obtain insurance affording coverage for the acts, errors and omissions of its directors and officers, including members of the Architectural Control Committee and other committees as may be appointed from time to time by the Board of Directors of the Association in such amount as may be reasonable. The Association shall also obtain and maintain fidelity insurance for all officers, directors, and employees of the Association and all other persons handling or responsible for funds of or administered by the Association. Where the Association has a management agent that is responsible for handling or administering funds of the Association, the management agent shall be required to maintain fidelity insurance coverage for its officers, employees and agents handling or responsible for funds of, or administered on behalf of, the Association. In procuring fidelity insurance, the Association shall seek a policy which shall (1) name the Association as obligee or beneficiary, (2) be written in an amount not less than the sum of (i) three months' operating expenses and (ii) the maximum reserves of the Association which may be on deposit at any time, and (3) contain waivers of any defense based on the exclusion of persons who serve without compensation from any definition of "employee." The Association shall pay as a Common Expense the premiums on all errors and omissions and fidelity insurance required herein, except those maintained by the management agent. The fidelity insurance shall provide that they may not be cancelled or substantially modified (including cancellation for non-payment of premium) without at least 10 days' prior written notice to the Association or Insurance Trustee. Such insurance shall also provide that any GSE that is a holder of any Mortgage on one or more Units within the Project shall receive such notice of cancellation or modification.

5.6. Review of Policies. The Board shall review all insurance policies from time to time in order to ascertain whether the coverage contained in the policies is sufficient to make any necessary repairs or replacements of the property which may be damaged or destroyed. The Board may, to the extent it deems necessary to more fully protect and insure the Association and its property, or to otherwise comply with evolving laws and insurance standards, modify the coverage standards set forth in this **Article 5** without the necessity of amending this Declaration.

5.7. **Insurance Trustees; Power of Attorney.** Notwithstanding any of the foregoing provisions and requirements relating to property or liability insurance, there may be named as an insured, on behalf of the Association, the Association's authorized representative, including any trustee with whom the Association may enter into any Insurance Trust Agreement or any successor to such trustee (each of whom shall be referred to herein as the "Insurance Trustee"), who shall have exclusive authority to negotiate losses under any policy providing such property or liability insurance and to perform such other functions as are necessary to accomplish this purpose. Each Owner appoints the Association, or any Insurance Trustee or substitute Insurance Trustee designated by the Association, as attorney-in-fact for the purpose of purchasing and maintaining such insurance, including: the collection and appropriate disposition of the proceeds thereof; the negotiation of losses and execution of releases of liability; the execution of all documents; and the performance of all other acts necessary to accomplish such purpose

5.8. **Individual Units.**

(a) **Single-Family Dwellings.** Each Owner of a single-family Dwelling Unit shall be responsible to purchase and maintain in force a multi-peril type policy of property insurance insuring against risk of direct physical loss commonly insured against, including fire and extended coverage perils, shall be maintained by the Owner covering the Unit, all improvements, fixtures, alterations, equipment and betterments permanently part of or affixed to the Unit, whether installed in the original construction or in any remodel or later alteration, including, without limitation, floor coverings, wall coverings, paint, cabinets, light fixtures, electrical fixtures, heating or plumbing fixtures, windows and doors, and all fixtures. Such policy shall provide coverage against loss or damage by fire and other hazards covered by the standard extended coverage "special perils" policy and provide coverage for debris removal, cost of demolition, vandalism, malicious mischief, windstorm, water damage, and such other risks as customarily are covered with respect to a community association in construction, location, and use. As a minimum, such policy shall provide coverage on a replacement cost basis in an amount not less than that necessary to comply with any co-insurance percentage specified in the policy, but not less than one hundred percent (100%) of the full insurable replacement cost of the Unit. Such policy shall provide coverage sufficient to restore any damaged Unit to its condition prior to a loss claim. The Association shall have no obligation to obtain insurance for individual Building Pads involving single-family Dwellings.

(b) **Multi-unit Dwellings.** The Association shall maintain, to the extent reasonably available using typical insurance carriers and markets, property insurance on the multi-unit Dwellings, insuring against risk of direct physical loss commonly insured against, including fire and extended coverage perils. The insurance premiums for multi-unit Dwellings shall be reimbursed by the multi-unit Dwelling Owners. If the Association becomes aware that property insurance is not reasonably available, the

Association shall, within seven (7) calendar days after becoming aware, give all multi-unit Unit Owners notice that the insurance is not reasonably available, and each multi-unit Unit Owner shall be responsible to insure their individual Unit.

(c) Owner's Responsibility. Each Owner is responsible to provide for himself or itself insurance on their property interests within the Property, including, without limitation, improvements thereon, furnishings and personal property therein, public liability insurance, and insurance with drain/sewer backup coverage. Neither the Association (including any Association Board member) nor Declarant shall be liable to any person or Mortgagee if any risks or hazards are not covered by the insurance obtained by the Association or if the amount of insurance is inadequate. For single-family Dwelling Owners, this Section requires an HO-3, HO-4 or HO-5 policy, depending on whether the Unit is Owner-occupied or tenant-occupied. For multi-unit Owners, this Section requires an HO-6 policy that also covers their share of the deductible amount of the Association policy. Furthermore, each Owner's insurance policy shall include an endorsement for nightly rentals, unless the owner of such policy has specifically opted out of the nightly rental pool.

ARTICLE 6 ARCHITECTURAL CONTROLS AND BUILDING STANDARDS

6.1. Architectural Control Committee ("ACC"). The ACC shall have the authority to administer to the provisions of this Article 6. The ACC shall consist of a minimum of three (3) persons. During the Declarant Control Period, the Declarant shall be entitled to appoint all members of the ACC. Thereafter, the ACC shall consist of the Board or of at least three (3) persons appointed by the Board. Persons appointed to the ACC by the Declarant shall serve at the pleasure of the Declarant. Persons appointed to the ACC by the Board may serve under such terms and conditions as the Board may designate.

6.2. Architectural Approval. No structure or thing shall be constructed, placed, erected, or installed upon any Unit or structure and no improvements or other work (including staking, clearing, excavation, grading and other site work, paving, exterior alterations of existing improvements, or planting or removal of landscaping) shall take place within the Property until the plans and specifications showing, without limitation, the nature, kind, shape, height, materials, colors and location of the same shall have been submitted to and approved in writing by the ACC in accordance with this Article and the Design Code adopted by the ACC pursuant to the authority of this Article. ACC approval shall be required regardless of whether the structure, building, fence, wall, or thing to be constructed, placed, erected, or installed is new, or an addition, extension or expansion, change or alteration, or re-construction, replacement, re-erection, or re-installation of any of the foregoing.

6.3. New Construction; Modifications. Except as otherwise expressly provided for in this Article or in the Design Code, the provisions of this Article and the Design Code

are applicable to all new construction as well as any modifications, remodeling, or rebuilding of any existing, destroyed, or damaged structures within the Property.

6.4. Design Code. The ACC may establish a Design Code which shall govern and contain, among other things, (i) permissible architectural designs; (ii) approved building materials and exterior color schemes; (iii) the rules, regulations, standards, guidelines, and procedures for the submission, review, and approval of any architectural, building, landscape, and other plans submitted to the ACC for review; (iv) the rules and regulations for construction and building activities within the Property; (v) the rules, regulations, standards, and guidelines with respect to any external apparatus, sign, or thing within the Property; and (vi) any other matters concerning the overall aesthetics of the Property. Because it is impossible to cover every contingency and because there are some aspects of architectural design that do not lend themselves to being easily articulated, the ACC shall have broad authority and discretion in establishing regulations, standards, and guidelines and in reviewing and approving plans submitted to it for review, which authority includes, but is not limited to: designating area within the Property as permissible building and landscape area; establishing timetables for submission of applications and commencement and completion of construction and landscaping; and establishing architectural and landscape guidelines as to any particular area within the Property. The ACC shall have the right to amend the Design Code as it deems necessary and appropriate from time to time. Amendments to the Design Code by the ACC shall have prior approval of a majority of the Board.

6.5. Sight Obstructions; View Impairment. The ACC may establish guidelines in its Design Code for the construction of improvements and landscaping so as to maximize views. Notwithstanding the foregoing, neither the ACC, the Declarant, or the Association represents or guarantees that any views from Units will be preserved without impairment. In addition, the owner of any Resort Facilities may, in its sole and absolute discretion, change, alter, add to, or modify the location, configuration, size, and elevation of components, and/or features. Any such additions or changes may diminish or obstruct any view from Units and any express or implied easements for view purposes or for the passage of light and air are hereby expressly disclaimed.

6.6. Exemptions from ACC Approval. No approval shall be required to repaint the exterior of a structure in accordance with the originally approved color scheme or to rebuild in accordance with originally approved plans and specifications; provided however, that any deviation or change from the originally approved color scheme or plans and specifications shall require ACC approval. Any Owner may remodel, paint or redecorate the interior of the Owner's structure without approval; provided however, that modifications to porches, patios, and similar portions of a structure visible from outside the structure shall require ACC approval.

6.7. Fees; Damage Deposit. The ACC may establish and charge reasonable fees for

review of applications and may require such fees to be paid in full prior to review of any application. Such fees may include the reasonable costs incurred in having any application reviewed by architects, engineers or other professionals. The ACC may also establish and require a damage deposit to be submitted with an application for approval. The ACC may draw on the deposit to cover any fines and penalties levied by the ACC; costs and expenses of enforcement of this Article 6 and the Design Code against the Owner; or to cover the cost of damage to any curbs, sidewalks, gutters, driveways, asphalt, or other improvements caused by construction on an Owner's Unit.

6.8. Compensation; Reimbursement for ACC Expenses. Unless authorized by resolution of the Board, the members of the ACC shall not receive any compensation for services rendered. Members shall be entitled to reimbursement for reasonable expenses incurred by them in connection with the performance of any ACC function or duty. In the event the ACC determines to retain professional consultants to assist it in its duties it may pay these professionals such compensation as the ACC determines, provided such compensation is approved by a majority of the Board. The Board may include in the Association's annual operating budget funds for compensation of ACC members or persons retained by the ACC; and any such funds shall be Common Expenses. Fees paid to the ACC as part of the application process shall be used to offset any of the foregoing expenses.

6.9. Rights of Approval. The ACC shall have the right to refuse or approve any plans and specifications and shall have the right, in so doing, to take into consideration the suitability of the proposed building, the materials of which it is to be built, the site upon which it is proposed to be erected, the harmony thereof with the surroundings, and the effect of said building, or other structure so planned, on the outlook from adjacent or neighboring property. Decisions of the ACC may be based on purely aesthetic considerations. Each Owner acknowledges that determinations as to such matters by the ACC are purely subjective and opinions may vary as to the desirability and/or attractiveness of particular improvements. The ACC shall have the sole discretion to make final, conclusive, and binding determinations on matters of aesthetic judgment and such determinations shall not be subject to review so long as made in good faith and in accordance with this Article and the Design Code.

6.10. Approved Builders. Any builder of a dwelling structure within the Property must be a licensed general contractor that has been approved by the ACC. The ACC may maintain a list of pre-approved builder or may approve a builder upon application by the builder. Approval of builders shall be in the sole discretion of the ACC, based on reputation, quality of work, customer satisfaction, and/or such other items the ACC determines appropriate.

6.11. Implied Rights; ACC Authority. The ACC may exercise any right or privilege given to it expressly by this Declaration or in the Design Code, or reasonably implied from or reasonably necessary to effectuate any such right or privilege.

6.12. Prohibited Structures. Notwithstanding anything in the Design Code, the following structures shall be prohibited within any part or portion of the Property: dome structures; log homes; pre-manufactured homes; re-located homes; and Earth or Berm homes of any type. No structure of a temporary nature, including but not limited to a trailer, bus, basement only residence, motor home, outhouse, tent, shack, garage, shed, or other outbuilding shall be used at any time as a residence either temporarily or permanently, nor shall any such structures be erected or placed on the Property at any time. No old or second-hand structures shall be moved onto any of the Building Pads. The ACC may, by rule, make this provision more restrictive or comprehensive.

6.13. Enforcement Authority. The ACC is vested with authority to enforce this Article 6 (including any rule or regulation established pursuant to the authority of Article 6) and the Design Code, including but not limited to, the authority to establish and levy fines, penalties, and interest, initiate legal proceedings, and abate or enjoin any violation of this Article 6 (including any rule or regulation established pursuant to the authority of Article 6) or the Design Code, and take any other action to enforce the provision of its Design Code as is authorized by this Declaration. The Board may, on behalf of and at the request of the ACC, take any enforcement action the ACC is authorized to take. No Owner shall have the right or authority to enforce the Design Code.

6.14. Application to Declarant. The Declarant shall not be required to comply with the provisions of this Article or any rules, regulations, standards, or procedures established pursuant to the authority of this Article (including the Design Code) with respect to any of its activities on the Property. The Declarant may, in its discretion, grant to any builder an expedited ACC review process or even waive such review.

6.15. Non-Liability; Waiver; Indemnification. The Design Code is intended as a mechanism for maintaining and enhancing the overall aesthetics of the Property; it does not create any duty to any person or entity. When the ACC undertakes its review it is not doing so for the purpose of ensuring the structural or mechanical integrity or soundness of approved construction or modifications; ensuring compliance with building codes and other governmental requirements; or ensuring that all dwellings are of comparable quality, value or size, of similar design, or aesthetically pleasing or otherwise acceptable to any Owner, wherever situated within the Property, or to any neighboring property owners. Accordingly, it shall bear no responsibility for ensuring any of the foregoing. The Declarant, the ACC, the Association, the Board, any committee, or member of any of the foregoing and each of their respective officers, directors, partners, members, predecessors, successors, assigns, parents, affiliates, subsidiaries, employees, and the agents and employees of any of them shall not be held liable for, and each Owner, for him/her/itself and his/her/its successors, heirs, and assigns, hereby agrees to hold the foregoing harmless for: any soil conditions, drainage or other general site work; any defects in plans revised or approved hereunder; any loss or damage arising out of the action, inaction, integrity, financial condition or quality of work of

any contractor or its subcontractors, employees or agents, whether or not Declarant has approved or featured such contractor as a builder within Property; and any injury, damages, or loss arising out of the manner or quality or other circumstances of approved construction on or modifications to any structure.

6.16. Water Conservancy. Each Owner will be responsible to comply with any and all provisions for water conservancy as set forth by the Washington County Water Conservancy District.

ARTICLE 7 MAINTENANCE

7.1. Owner's Responsibility. Each Owner of a single-family Unit shall maintain the Owner's Unit and all structures, and other improvements comprising the Unit, and any appurtenant Limited Common Areas, in a manner consistent with the Community-Wide Standard and all applicable covenants, unless such maintenance responsibility is otherwise assumed by or assigned to the Association pursuant to an additional or supplemental declaration or the adoption of any rule or regulation. The joint Owners of a multi-unit Unit shall jointly maintain the joint Owner's multi-unit Unit and all structures, and other improvements comprising the multi-unit Unit, and any appurtenant Limited Common Areas, in a manner consistent with the Community-Wide Standard and all applicable covenants, unless such maintenance responsibility is otherwise assumed by or assigned to the Association pursuant to an additional or supplemental declaration or the adoption of any rule or regulation. The Association may, in the default of the Owner(s) to perform maintenance which is the Owner's responsibility, and after ten (10) days written notice (which notice shall not be required in the event of emergency or threat to life, health, property or safety), provide exterior maintenance upon each Unit and the Limited Common Area adjacent and appurtenant thereto. The cost of such maintenance shall be assessed against the Unit as a specific assessment. Maintenance responsibilities established under any Cost Sharing Covenants shall not relieve any Owner of its maintenance responsibility under this Declaration.

7.2. Association's Responsibility. The Association shall maintain all Common Areas and the Limited Common Area which is not adjacent to any Unit, and the area of any Unit outside the walls of the structures thereon which is of the same character as surrounding Common Area. The cost to maintain all Common Areas and the Limited Common Area which is not adjacent to any Unit shall be a Common Expense to all Units.

7.3. Access at Reasonable Hours. For the sole purpose of performing the maintenance required by this Article, the Association, through its duly authorized agents or employees, shall have the right, after reasonable notice to the Owner, to enter upon any Limited Common Area at reasonable hours.

7.4. Alteration of Certain Maintenance Duties by Rule. The duty of maintenance

for the area outside the walls of any Unit, and the Limited Common Areas adjacent and appurtenant to such Units may be altered by rule of the Association.

ARTICLE 8
SPECIAL DEVELOPMENT RIGHTS

8.1. Intent and Purpose of Special Development Rights. In addition to any other rights granted or reserved to the Declarant in this Declaration and the other Governing Documents, and notwithstanding any covenants, conditions, restrictions, or other provisions of limitation within this Declaration, the Declarant, as the developer of the Property, is granted special development rights. These combinations of rights maximize the flexibility of the Declarant to adjust the size and mix of the Property to the demands of the marketplace, both before and after creation of the Arcadia Vacation Resort.

8.2. Expansion of the Property. The Declarant shall have the right to expand the Property by unilaterally subjecting any Additional Property, in whole, in part, or in phases, to this Declaration during the Declarant Control Period.

(a) Expansion Procedure. The Declarant shall indicate its intent to have such Additional Property bound by this Declaration on the Subdivision Plat of such Additional Property and shall record a declaration of annexation or supplemental declaration including and subjecting such Additional Property to this Declaration.
